

Possibility Plans

Access to the care you need.

If you do not have insurance or have insurance but lack coverage for infertility services and qualify financially, The Center for Advanced Reproductive Services has many self pay options for you to consider. From your new patient visit to completing an IVF cycle, our experienced financial counselors will work with you every step of the way.

We offer the following programs priced as a package of services, or Case Rates, so you know what to expect financially before you begin your treatment plan. Below are Case Rate options you might consider over the spectrum of care from the diagnosis to treatment of infertility.

Non-IVF Possibility Plans

- New Patient Limited Consult Case Rate
- New Patient Basic Assessment Case Rate
- New Patient Full Assessment Case Rate
- Clomid IUI: Limited Monitoring Case Rate
- Clomid IUI: Full Monitoring Case Rate
- Gonadotropin IUI: Full Monitoring Case Rate
- Gonadotropin IUI: Expanded Monitoring Case Rate

IVF Possibility Plans

- IVF Possibilities Plan
- Freeze All Possibility Plan
- Gestational Carrier Possibility Plans

Do I Qualify?

To qualify for non-IVF Possibility Programs, patients must not have insurance; have insurance but lack infertility coverage; and have a household income (single or couple) of less than \$175,001. IVF Possibility Plans are based on established income brackets.

All participants in any Possibility Plan must sign Possibility Plan Case Rate Waiver. All blood work must be drawn in Farmington, Hartford or Branford locations.
